What is Noisebridge?

Noisebridge is a completely open, free hackerspace in the SF Mission district!

We provide the tools, resources, and space for people to learn, make, and hack on anything they like, in a safe and welcoming environment.

Anyone can come and participate in Noisebridge, and we have only one rule: Be excellent to each other!

Get Involved

Visit Noisebridge and get a tour!

Ask about Do-ocracy & Consensus!

Attend a class!

Come hang out and hack!
